CODED BIAS

DIRECTOR: Shalini Kantayya

FREE SUNDANCE FILM FESTIVAL SCREENING

When MIT Media Lab researcher Joy Buolamwini discovers that most facial-recognition software does not accurately identify darker-skinned faces and the faces of women, she delves into an investigation of widespread bias in algorithms. As it turns out, AI is not neutral, and women are leading the charge to ensure our civil rights are protected.

A conversation with the director and guests will follow. Film run time 87 min. *Film is not yet rated.*

This is a free but ticketed event. Please contact your organization for tickets.

Parking is available at no charge in student parking areas on the east side of the building. Please do not park in faculty or disabled parking areas without an appropriate permit, or you will be ticketed.
